MEMORANDUM

TO: All Members

FROM: Sirkku Meldrum, Second Vice-President

RE: Your Community Needs You - Your Union Needs You - You Need to Be Involved

DATE: December 1, 2010

Not being able to speak English in Ontario today shuts the door to the Canadian Dream for many immigrant women. Families live in poverty and children suffer because government cutbacks limit learning opportunities for New Canadians. You can help.

Your union in partnership with the WOMEN'S MULTI CULTURAL RESOURCE AND COUNSELING CENTRE OF DURHAM (WMRCCD) is setting up an Adult English as a Second Language program to help these women.

WMRCCD will provide the clients, ETFO will provide the space and the materials. We need you to volunteer your time to teach the program.

We are asking for a commitment of two hours per week (six to eight) for six months. These twelve hours could change the lives of a number of families in Durham. We ask for your help so we will be ready to go in January of 2011. Please help us make a difference in our community. Call Sirkku Meldrum at the ETFO office 905-666-1122
