Learning Together: A Classroom Teacher's Guide to Combined Grades

This practical resource shows you how to deliver differentiated instruction and incorporate varied delivery modes, forms of assessment, teaching methods, and resources. It provides ready to use planning samples of common fundamental concepts across curriculum expectations, samples for long range and unit plans, lesson plans, and daybook pages.

ETFO Special Education Handbook: A Practical Guide for All Teachers \$15

Instructional, environmental, and assessment strategies that all teachers can use to address a range of student needs. It includes an overview of special education in Ontario, suggested resources, and a glossary of special education terms.

Coming soon

Classroom Assessment Teacher Resource

Practical information for effective classroom assessment. The resource includes the guiding principles of classroom assessment, best practices, strategies and tools used by experienced practitioners, and a series of teacher narratives related to specific assessment tasks. An accompanying DVD features classroom teachers speaking about the narrative tasks and sharing valuable experiences.

Classroom Beginnings \$15

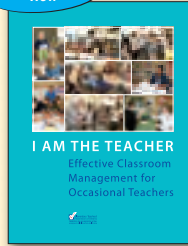

Create a positive classroom environment. This guide shows you how to set up the classroom, get to know students, plan for student success, and build professional relationships.

A Teacher's Professional Portfolio — A Working Guide \$3 (2nd Edition)

This guide shows you how to plan and document your professional growth using a professional portfolio.

New

I am the Teacher \$10

For occasional teachers. Experienced practitioners show you how to establish an effective presence in the classroom and school, connect appropriately with students, and establish routines and procedures. The resource outlines student expectations, classroom and behavior management techniques, and useful instructional practices.

Revised edition
coming soon

The Occasion to Lead & Head of the Class \$14 (with binder \$18.69)

A carry-along guide for occasional teachers with strategies for handling teaching assignments with confidence. It includes lesson plans, worksheets, and reproducible masters.

Coming soon

Awakening Spirit: Voices of the heart

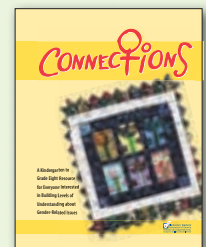

This literature-based resource provides teachers with practical ways to celebrate diverse religious and spiritual practices. It focuses on spirit-based themes as the thread that links us together.

Coming soon

Circle of Learning – Aboriginal perspectives in Canadian classrooms

This resource for educators and communities has lessons linked to the Ontario curriculum that focus on traditions and current Aboriginal issues. Also coming in French.

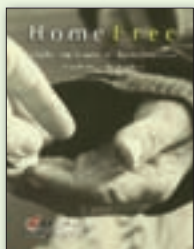

Connections – \$20

A resource for kindergarten to grade 8 that helps you build understanding about gender-related issues.

Connections – Bookmark

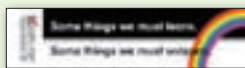

Home Free

Learn about homelessness and what you and your students can do to help. This new curriculum resource on homelessness includes lesson plans for each division as well as background materials for teachers. Available as a free download from etfo.ca.

Reflections of Me – The ETFO Body Image Curriculum

Kit 1 – Grades K-6

Kit 2 – Grades 7-8

\$200 per kit (sold only in kits)

Created as resources for Reflections of Me... The ETFO Body Image Project these integrated curriculum materials are organized into a kit for grades K to 6 and an intermediate kit for grades 7 and 8. Each kit contains curriculum lessons for each grade, a parent/teacher video, parents' pamphlets, and related resources. Also see the parent brochure Reflections on Body Image.

Math Links Video and Teacher's Guide

\$30

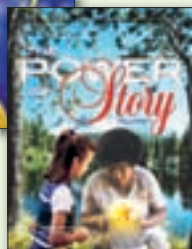

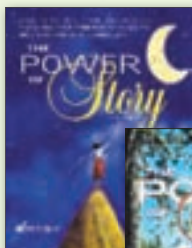

This video and teacher's guide, focusing on patterning and algebra, provide effective mathematics teaching strategies for all grades. Be sure to check out the Making Math Happen series!

New

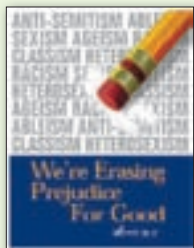

Roots of Equality

These resources are designed to help foster students' healthy, equal relationships and raise awareness of violence against women. Included are lesson plans for grades 1 to 8, workshops for grade 7/8 girls' conferences, and tip sheets for educators and parents. Available free of charge from etfo.ca.

The Power of Story – Volumes I and II \$15 each

Real-life stories allow us to draw connections between past and present. They provide a way to examine our attitudes and assumptions, and reflect on our actions. This resource uses stories to create lesson activities and extensions linked to Ontario's curriculum expectations.

We're Erasing Prejudice for Good \$120/kit - \$30/unit

Give students the skills to navigate a diverse world. This literature-based, anti-bias curriculum resource, has a theme for each month of the school year and integrated lessons consistent with Ontario's curriculum. The kit has 360 lessons and a teacher resource guide. Each grade unit has 40 lessons plus the teacher resource guide. Also available in French; see p.7.

Respecting Cultures and Honouring Differences \$14

A supplement to We're Erasing Prejudice for Good, this revised resource guide has more than 70 lessons corresponding to the monthly themes for the school year.

Coming soon

Social Justice Begins with Me

A new edition of We're Erasing Prejudice for Good for grades K to 8.

SUCCESS FOR ALL STUDENTS

Coming soon

Case Studies of Schools Working with Students Living in Poverty

Researchers investigated 11 schools to discover how teacher practice affects student success. The authors provide details of teachers' work in schools, with students, and with communities. Their conclusions demonstrate how others can work successfully in similar situations.

One In Six – \$15

This DVD is designed to generate awareness and stimulate discussion of the impact of poverty on education in Ontario. It features scenes from the award-winning play, *Danny, King of the Basement*, and interviews with individuals from groups traditionally affected by poverty – Aboriginal people, single women, immigrants, and people with disabilities.

Coming soon

Possibilities – Poverty Issues in Schools

This booklet provides practical suggestions, classroom literature, professional readings, strategies to support student learning, community resources, and action plans. The resource synthesizes best practices for addressing issues relating to socioeconomic disadvantage.

EARLY YEARS

Kindergarten Years – Learning Through Play – \$17

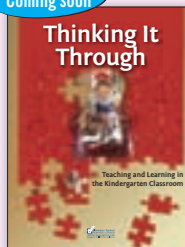

This resource discusses the principles of developmentally appropriate practices and shows you how to bring play-based learning into your kindergarten classroom. Now also in French; see p.7.

Observation – \$19

Evaluation, planning, and growth for the kindergarten learner within a play-based context.

Coming soon

Learn how to plan all aspects of the kindergarten day to meet the needs of four- and five-year-olds.

PRIMARY

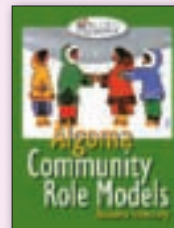

The Class That Reads – Best Practices for Teaching Primary Reading \$20

This practical resource includes components of a balanced reading program and strategies for English language learners and special education students.

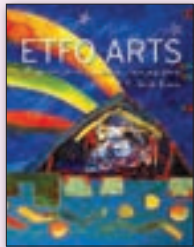

COMMUNITY ROLE MODELS

Each of these resources contains lesson plans, activities, and annotated biographies of people from the community who can be contacted for classroom activities.

Algoma, \$10
Hastings-Prince Edward, \$10
Resource Inventory Toronto, \$12
Thames Valley, \$10

PRIMARY/JUNIOR

ETFO Arts Resource \$22

A practical step-by-step handbook for Junior grade teachers who are new or inexperienced in arts education. It introduces all the elements of dance, drama, music, and visual arts and shows you how to use the arts to support literacy and other subjects. ETFO Arts comes with a CD of music and a Norval Morrisseau print.

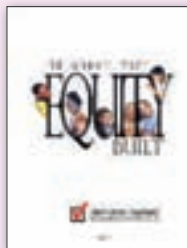

Out and About –\$20

Each of these 19 integrated environmental lessons provides core expectations, a lesson plan, modifications, assessment strategies, and extensions. For single and combined grade 3 and 4 classes.

Social Studies Multimedia Resource \$8

A resource for the social studies curriculum strands: grade 3, Urban and Rural Communities; grade 4, Medieval Times; grade 5, Early Civilizations. Each strand includes an overview, text with voice, text with links, images, video components, a glossary, quizzes, and a culminating task. A website link allows teachers to access support materials in PDF format.

The School That Equity Built \$15

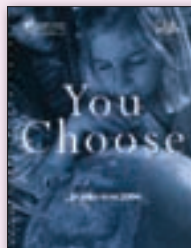

A backgrounder on equity, this resource shows you how to create a climate of learning for all students in your classroom. It includes an excellent annotated resource list. For grades 1-4.

INTERMEDIATE

Take a Closer Look \$18

Teach your grade 7 and 8 students to become critical and informed consumers of mass media. This resource addresses expectations in reading, media communications, writing, drama, the arts, science and technology, and health and physical education. A practical guide to exploring issues of media violence.

You Choose!

Produced in collaboration with Student Vote, these lesson plans cover the democratic process and informed citizenship and show you how to hold Student Vote in-class elections. Available from Student Vote, studentvote.ca.

CURRICULUM CONNECTIONS

ETFO members submit their own curriculum materials for review and publication. Authors retain the copyright and receive a modest royalty for materials sold. Check our website etfo.ca ► Professional Development ► Curriculum Connections for tips and criteria used for the review.
