

P.D. Committee Minutes
November 16, 2010

Present: Willena Harrison, Bill Ferguson, Larry Debrouwer
Regrets: Nadine Norris, Leslie Fallaize

Called to Order 4:40pm

1. Terms of Reference

Larry brought the Terms of Reference from last year and they were accepted as read.

2. The Newsletter

Read through the submission for the newsletter. There was a lot of information in it; perhaps too much.

We would like to have a section entitled TNT (Teachers need Teachers) We're Dynamite, which would showcase best practices within the Board. The P.D. Committee could decide which one to showcase and the person who submitted it would receive recognition and a shopETFO card.

3. ShopETFO Prizes

Willena will seek direction from Gerard as to who will be getting the Shop ETFO prizes.

4. Survey Monkey

Willena will bring sample surveys for the next P.D. Meeting, we would like to survey the membership in January.

5. Potential Workshops

Willena has been looking at 2 potential workshops - Rage Against the Machine and Critical Media Literacy. She will be sharing these with Political Action Committee and The Status of Women and Equity Committee to see if they would like to partner on this initiative.

6. Loaner Library

We would like to establish a Loaner Library for the membership. Willena will look into the feasibility of this and come back to the next meeting with this information.
