

# ETFO DURHAM TEACHERS' LOCAL Political Action in Action

Not only are our members dedicated professionals who are committed to the work of teaching, many also volunteer in countless ways in their communities. Some coach, some lead youth groups or choirs, read to children in hospital, assist seniors. The list is endless.

Your Political Action Committee would like to recognize the volunteer work of our members and, where possible, make a donation of up to \$50.00 to the organization. We have included an information form where members can advise us of their community involvement. Once we have collected the forms, we will prepare certificates of accomplishment for these teachers and will arrange a formal presentation of these certificates and donation cheques as appropriate.

If you are one of these teachers, please send us your story. If you know of such a teacher, please encourage them to complete the form.

Sharing this information will help profile teachers in our community, highlight the vital volunteer work they undertake and provide the opportunity for a financial contribution where appropriate.

We look forward to hearing from you!
